PLAY

On Wheels
Explore the park on wheels! Shelby Farms Park has more than 40 miles of paved and unpaved trails available for avid bikers and for those who just want to rent a bike for a casual ride. Two wheel houses within the Park offer hourly bike rentals.

On Foot
Escape the sidewalks and run, bike or walk more than 40 miles of paved and unpaved trails. The iconic Shelby Farms Greenline, a rails-to-trails project, offers 10.65 miles of urban paved trail connecting Midtown Memphis to Cordova through Shelby Farms Park.

For Kids
Our Woodland Discovery Playground and Water Play Sprayground areas give kids the spaces they need to climb, slide, splash, jump, play...and just be a kid!

On the Water
There are over 20 lakes in Shelby Farms Park and endless ways to enjoy the water. Two boat houses offer canoe, kayak, paddle boats and stand up paddle board rentals. Or, feel free to BYO Boat. (No motors, please.) These beautiful lakes also present plenty of opportunities for fishing.

In the Trees
Zip, swing and climb! Enjoy Shelby Farms Park from a whole new vantage point - high atop the trees! Go Ape is a great outdoor treetop adventure course that includes rope ladders, net bridges, swings and zip lines.

For Dogs
Fun unleashed! Dogs are welcome on-leash at Shelby Farms Park, but the Park also offers more than 100 acres of open fields, lakes and unpaved trails for off-leash fun in The Outback Off-Leash Dog Park.

Looking for a great Shelby Farms Park hat or tee? Maybe a new coffee mug or a treat for your four-legged friend? The Lake's Edge Gift Shop and the Pine Lake Boat House + General Store are one-stop shops for Park gear, snacks and more!
